Subject: 1<sup>st</sup> Young Filipino-Canadian Leaders Summit

Dear Sir/Madam:

On March 8-9, 2014, Filipino-Canadians, ages 18-35, will converge at the Fairview Mall Library & Theatre (Toronto) to attend the **1st Young Filipino-Canadian Leaders Summit**.

The 2014 theme is "*iPinoyCan: Understanding the Filipino-Canadian Identity – Key to Transformational Leadership*". This Summit hopes to provide a space and opportunity for young adults of Filipino descent, ages 18 to 35, to explore and create a fuller sense of their identity towards the ultimate outcome of inspiring a generation of youth who will be visible and a united national force in Canadian society.

This initiative is produced and executed through the joint efforts of two emerging companies – **iKubo Media**, the publishing company of *Kubo Magazine*, and **TPF Canada**, the organization behind *Toronto Paskuhan Festival*. The Philippine Embassy in Ottawa and the Philippine Consulate General of Toronto are supporters of this initiative together with Eskwela Incorporated. We are expecting over a hundred of attendees from the Greater Toronto Area and other nearby cities including Ottawa and Montreal. Respected community leaders, professors and experts will be invited to share their experiences, challenges and learnings through speaking engagements, Q&A sessions and networking opportunities.

In this regard, we would like to invite your organization to support this event by sending the young leaders of your organization, incumbent or potential, as participants together with officers and leaders who wish to accompany them as coordinators or mentors. Young adult sons and daughters of the leaders of your organization are greatly encouraged to attend as well. As a community of immigrants in this country, we would like to continue producing high caliber members of the Canadian society and what better way to achieve this than to offer an avenue where they can develop their leadership skills, network with other young leaders and learn from respected community leaders with great minds. As a parent and as a community leader, we have a task to pass the leadership baton to the next generation.

Seats are limited so we would like to hear from you the soonest. You can send inquiries or questions and even confirm your participation by making a reservation to the Summit Secretary, Ms. Claire Dela Gana, at [claire.delagana@ikubomedia.com](mailto:claire.delagana@ikubomedia.com). She can also be reached at 647/300-1969.

We look forward to welcoming you at the summit!

Sincerely yours,

Ronnie Dela Gana
